HOW CAN I HELP **MY STUDENT?**

- Follow the Career Center on Facebook and Instagram. You can see events that are happening and remind your student to attend.
- Encourage your student to get engaged and stay engaged. These leadership skills and experiences build their resumes and are what employers want to see. Remind your student about the lifelong benefits of such activities.
- Talk with and listen to your student regarding interests and skills they're developing. Listen to their excitement and what they are discovering.
- Motivate your student to visit with the Career Center counselors. They want to help and can help your student in making their transition to a career path at St. Cloud State a success!
- Advise your student to use resources the Career Center has to offer to create a strong resume, find a major that aligns with their career goals and values, and make connections with employers.
- Encourage your student to access Handshake, an important job search tool, and to attend career events early and often!
- Finally, ask your student how you can help. Be patient, listen and encourage your student. Offer to talk with them about career goals and how their interests and skills relate to those goals.
